[Release No. 34-83352; File No. SR-NYSEArca-2018-37]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Rule 7.37-E and Rule 7.45-E with Respect to NYSE National's Reopening of Trading and Reactivating Connection to the Securities Information Processors
May 31, 2018.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on May 18, 2018, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to: 1) amend Rule 7.37-E to specify in Exchange rules the Exchange's use of data feeds from NYSE National, Inc. ("NYSE National") for order handling and execution, order routing, and regulatory compliance; and 2) amend Rule 7.45-E to reflect that Archipelago Securities LLC ("Arca Securities") would function as a routing broker for the Exchange's affiliate, NYSE National. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to update and amend the table in Rule 7.37-E that sets forth on a market-by-market basis the specific network processor and proprietary data feeds that the Exchange utilizes for the handling, execution and routing of orders, and for performing the regulatory compliance checks related to each of those functions. Specifically, the table would be amended to include NYSE National, which intends to reopen trading and reactivate its connections to the securities information processors ("SIPs"). To reflect that, the Exchange proposes to amend Rule 7.37-E to specify which data feeds the Exchange would use for NYSE National. As proposed, the Exchange would use the direct data feeds for NYSE National and would use the SIP data feeds as a secondary source.

Additionally, the Exchange proposes to amend Rule 7.45-E to reflect that Arca Securities would function as a routing broker for the Exchange's affiliate, NYSE National. Specifically, the Exchange proposes to amend Rule 7.45-E(c)(1) and (2) to reference NYSE National as an affiliate of the Exchange for the purposes of the inbound routing function performed by Arca Securities. The proposed rule change would provide more clarity and transparency to all the

functions that Arca Securities performs on behalf of the Exchange and its affiliates, which now includes NYSE National. The Exchange is not proposing any substantive change to the rule.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the “Act”),⁴ in general, and furthers the objectives of Section 6(b)(5),⁵ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes its proposal to update the table in Rule 7.37-E to include NYSE National will ensure that Rule 7.37-E correctly identifies and publicly states on a market-by-market basis all of the specific network processor and proprietary data feeds that the Exchange utilizes for the handling, execution and routing of orders, and for performing the regulatory compliance checks to each of those functions. The proposed rule change also removes impediments to and perfects the mechanism of a free and open market and protects investors and the public interest because it provides additional specificity, clarity and transparency. The Exchange believes the proposed rule change to amend Rule 7.45-E also removes impediments to and perfects the mechanism of a free and open market and protects investors and the public interest because the proposed rule change would enhance the clarity and transparency in Exchange Rules surrounding the inbound routing function performed by Arca Securities for the Exchange’s affiliate, NYSE National.

⁵ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issue but rather would provide the public and investors with information about which data feeds the Exchange uses for execution and routing decisions, and provide clarity in Exchange rules that Arca Securities would perform the inbound routing function on behalf on the Exchange's affiliate, NYSE National.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f)(6) thereunder.⁷

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁸ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)⁹ permits the Commission to designate a shorter time if such action is consistent with the

⁷ 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

⁹ 17 CFR 240.19b-4(f)(6)(iii).

protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Exchange states that waiver of the operative delay would be consistent with the protection of investors and the public interest because it will allow the Exchange to immediately provide enhanced transparency in Exchange rules regarding which data feeds the Exchange will use for NYSE National and clarify in the Exchange's rules that Arca Securities will perform the inbound routing function for NYSE National. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal as operative upon filing.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
